

National Heart Association of Malaysia (NHAM) Congress 2023

The annual **National Heart Association of Malaysia (NHAM) Congress** this year has welcomed more than a thousand healthcare professionals (HCPs) consisting of cardiologists, primary care physicians and general practitioners at the Kuala Lumpur Convention Centre (KLCC) from 16th to 18th June 2023.

The two-and-a-half-day event focused on the current topics of cardiovascular including advancements in practices as well as knowledge sharing that provided a broad view of the healthcare landscape.

Novugen has once again joined the highly anticipated event with the aim to establish great industry network and making our presence strong in cardio-metabolic therapeutic area as well as amplifying our commitment to accessibility of affordable high-quality medicine.

We have also leveraged on NHAM Congress 2023 to demonstrate our passion in serving the patients in Urology and Pain Management. We are thrilled to have taken part in the cardiovascular summit, being able to connect with the local HCPs and HCPs from other countries through important dialogues with a common objective to help cardiovascular patients globally.
